RECREATION BENEFITS & DISCOUNTS

EMPLOYEES VOLUNTEERS RETIREES

Overview

To enhance your connection with Great Parks, retirees, volunteers, employees and eligible family members are encouraged to experience all our parks offer as part of their personal or family leisure time. Members of the Great Parks team can explore more than 18,000 acres, 98 miles of trails and 25 miles of riverfront across 22 parks and conservation areas, including six golf courses, three campgrounds, the Winton Woods Farm and Equestrian Center, and more, with the incentives outlined in this brochure.

Eligibility

The benefits are available to current full-time and part-time employees, OPERS-qualified retirees of Great Parks in good standing and volunteers who have reached 50 or more service hours in a calendar year. Family members of part-time employees, volunteers or retirees are not eligible for recreation benefits. Family member benefits are limited to a full-time employee's immediate family members living in the same household. This includes spouses, live-in partners and children 21 years of age and younger. Some activities allow eligible team members to extend their benefits to a guest accompanying them.

Procedure

To receive the benefits, you must present a Great Parks employee ID card at check-in. Recreational benefits discounts cannot be used online, including e-commerce merchandise sales, program registrations, or rentals and reservations. To receive program, day camp, reservation or rental discounts, call (513) 521-7275. To receive a golf discount, call the clubhouse after 2 p.m. the day before playing. Full-time employees with family members who need an ID card should contact Human Resources to schedule an appointment.

Disclaimer: Great Parks reserves the right, at any time, with or without notice, to make any changes to the benefits and practices set forth in this document.
